Highland Hills is proud to recognize Tracy Tynkila, 2nd grade teacher as our Educator of the Year. Tracy has dedicated 16 years of service to Highland Hills. The last two years have been amazing to watch Tracy grow professionally and to push others, especially administration, to grow professionally as well. What is a teacher, what is an educator of the year? Highland believes the definition to be someone who is passionate about what they do, develops meaningful relationships, is selfless and has a drive to help others improve as well as themselves. Tracy Tynkila does just that. Staff stated that Tracy is always willing to go above and beyond to help students, staff and is very welcoming. Tracy is a team player and wants best for our school. Highland Hills is proud to have Tracy Tynkila represent our team as Educator of the Year 2017-18
